- **Reserved seating only:** 292
- **Reserved and GA mixed capacity:** 400 (172 seated, 228 standing)

RESTRICTIONS / POLICIES

- No noise prior to 1:00pm (on stage instrument tuning "ok" prior to 1:00pm)
- 11:00pm strict curfew on Friday and Saturday
- 10:30pm strict curfew on Sunday – Thursday (check with production manager for specifics).

PARKING

- Tour Buses: Directly house left of the venue on Campbell Street.
- Vans w/ Trailers: Directly house left of the venue on Campbell Street.

LOAD-IN

- Venue double doors are located along Campbell Street. There is a 20 ft push from trailer to building, then another 25ft. push to the stage

STAGE

- **Overall stage size:** 21' W x 20' D
- **Stage Left Wing:** 21' W x 10'D
- **Stage Height:** 36"
- **Stage Ceiling Height:** 29'

MIX POSITION

The Brooklyn Arts Center does not have a dedicated mix position. Generally speaking most production teams choose a 10X20 section located center of the venue along the back wall. Due to floor constraints and varying seating arrangements, we highly recommend mixing from the side of the stage and wandering the floor with a tablet if you have the capability to do so.

BARRICADE

- Avail if needed: 100' Heavy duty blow through barricade

POWER

(1) 100 amp 3-phase disconnect is located at stage left along with standard 120V outlets on and surrounding the stage. More power may be brought in depending on the package the band is touring with if applicable.

DRESSING ROOMS

- All tour hospitality areas, including a small catering area is located on the 1 floor of the main building.
- There are 3 individual dressing rooms. All 3 can be joined to create one large room or they can be individually sectioned off with private entrances.
- Each dressing room has a couch, chairs, mirrors and tables.
- Showers are located next door in the Manse Suite.
- There is laundry capability on site.

TOUR PRODUCTION

- There is no dedicated tour production area. However there are many different possibilities for a private work space to be set up.
